# SAG IPL in Top 25 Augmented/ Virtual Reality Technology Solution Providers 2017 by APAC CIOoutlook Magazine

Greetings! This is John from APAC CIO Outlook magazine. We are a print magazine distributed to CIO, CXO and other senior decision makers for technology in Asia Pacific Region. We are coming up with our special annual edition of Augmented/ Virtual Reality Technology. It will cover industry trends, knowledge and advice on cutting edge Augmented/ Virtual Reality Technology Solutions for the Enterprise. In this issue, we will also publish the list of "Top 25 Augmented/ Virtual Reality Technology Solution Provider."

Our editorial team has analyzed top management and performance of 1000 Augmented/ Virtual Reality Technology Solution providers in the Asia Pacific Region over the past several months. We look for companies that have innovating solutions, which have shown great promise in serving customer needs or are highly recommended by their current clients. Moreover, we also take inputs and feedback from our advisory board which consists of top CIO's and senior IT managers from mid-size and large enterprises in APAC. We are very pleased to inform you that Sag Ipl has been shortlisted by APAC CIOoutlook magazine to be honored as "Top 25 Augmented/ Virtual Reality Technology Solution Providers 2017."

The Top 25 Augmented/ Virtual Reality Technology Solution Providers will be profiled in the special Edition of the APAC CIOoutlook magazine in 2017. This company profile will be an in-depth perspective about the Sag Ipl's offerings, strengths and unique proposition to customers in APAC region. The same profile will be showcased in the digital version of the magazine as well.
